

# Hunter Language School is Covid Secure

We are taking a lot of precautions to make sure the school is safe. Please read and follow our Covid 19 safety guidelines below to help us keep the school safe. If you have any questions or want to suggest any additional safety procedures please speak to management or email us. [info@hunterlanguage.co.uk](mailto:info@hunterlanguage.co.uk) Thank you.

## What precautions are we taking?

### 1. Anyone who develops Covid-19 symptoms should not come to school

If a student or member of staff develops Covid-19 symptoms or tests positive for Covid-19, we ask them not to come to school. Please inform the school and follow government self-isolation guidelines.

### 2. Masks in school

Please wear masks or face coverings in school. It is not necessary to wear masks in classrooms but if you would like to then please do.

### 3. Spaced out and well-ventilated classrooms

Class sizes are being kept to a minimum, desks are spaced out to allow social distancing, doors and windows are kept open during lessons to keep classrooms well-ventilated.

### 4. Please don't arrive early and wait outside before lesson when possible

We no longer have a student room for students to relax and work, we closed it in order to make the school more Covid secure. Please try not to arrive too early for lessons and wait outside the building until the start of your class when possible.

### 5. Sanitiser stations throughout school

Sanitiser is available throughout the school and in all classrooms. Students and staff are asked to sanitise and wash hands regularly.

### 6. Increased cleaning

We have increased the cleaning around the school, and classroom desks are sanitised after each lesson.

### 7. Track and Trace

We are recording contact details of all visitors to the school, they will be held in accordance with the government track and trace programme.
